Dear Congressman Kline:

The recent passage of the "Support Our Scouts" legislation will positively impact millions of Scouts, leaders and their families. Most of them will never know it happened, but the members of our National Executive Board certainly do. We know that without your strong support it would not have happened.

This is a major milestone in the proud history of the Boy Scouts of America. Our current and future members will benefit from access that they have to public properties, now and in the future. Your strong statement of support for the values of Scouting will positively impact our organization for many years to come.

We appreciate your efforts on behalf of the future leaders of our country and the world.

Sincerely,

John C. Cushman, III
